

The Copper Harbor School has an opening for the following position:

Full-Time, Program Year Classroom Aide/Paraprofessional

The Grant Township School (Copper Harbor) has an opening for a committed Classroom Aide/Paraprofessional to assist in providing small group and individualized instruction, assess progress, as well as maintain a safe learning environment. Classroom Aides and Paraprofessionals support effective implementation of curricula, and individualization for classrooms with special education students.

Qualifications: Minimum of a high school diploma. Strong oral and written communication skills required. Some knowledge of special education practices, early childhood development and developmentally appropriate practices are preferred.

Interested candidates should contact the Grant Township School (906.289.4447) to request an application. Posting will be open until filled.
